My name is \_\_\_\_\_ and I am a Wrestler at Ayala High School in Chino Hills, CA. Belonging to a competitive sports team teaches us athletes many qualities such as time management skills, goal setting, self-discipline, work ethic, accountability, responsibility, physical and mental toughness, and teamwork just to name a few. As you can see from the above list of accomplishments, we have a rich history and tradition of winning. I am looking forward to another great year of wrestling and defending our league title.

Our program is seeking sponsors for the upcoming season. As with many high school sports programs, almost all of the expenses of supporting our wrestling team come from the efforts of sponsors such as you, our families, and friends. All donations made are greatly appreciated. All donations go directly towards our travel costs, tournament entry fees, uniforms, equipment, and team expenses.

Ayala Wrestling Booster Club is a non-profit organization recognized by the IRS and your donation is tax deductible. Our tax ID number is 33-0793017.
